

I listen to K-LOVE in Tucson, Arizona. This is the only radio station that I feel comfortable in allowing my children to hear. I believe there are many others in my community who feel the same way. It's already bad enough that I cannot receive K-LOVE in my home, but if it were to be taken off my car radio, too, I would be very unhappy. K-LOVE is a bright spot in my day. I am uplifted and encouraged, not brought down by loud commercials urging me to spend more money than I have or to run out to local bars. K-LOVE brings me news of Christian activities in other communities around the country, and the news of world events presented on K-LOVE can be found no where else. We certainly cannot turn on CNN and get news of Christian organizations and the work they are doing. Not to mention the hundreds of people each year who come to a saving relationship with Jesus. Please do not take this away from us. Thank you.
